Welcome!

This course was developed by Dietitians at Fraser Health to support childcare providers to use best practice when feeding children. The course is targeted to childcare providers who work with children 1 - 6 years of age.

The course takes about one hour to complete. When you are ready to get started, go to Step 1 below.

We hope you enjoy the course!

Who should take the course?

Care providers for children aged 1-6 years:

- * Licensed Care Centres
- * Licensed Group Child Care Settings
- * License-Not-Required Care Centres
- * Child healthcare workers
- * Interested parents

What will I learn? You will learn about the **5 key parts of the Division of Responsibility Model**, how to apply these parts in the childcare setting, and how to give parents information about the Division of Responsibility.

The Division of Responsibility Model is recommended by:

- * Dietitians of Canada
- * Canadian Pediatric Association
- * Health Canada
- * BC Child Care Licensing Regulations

How can I take this course?

- * Visit <https://learninghub.phsa.ca/Courses> and search for "Division of Responsibility Model"
- * Enroll in the course FREE of charge
- * Receive a Certificate of Learning upon course completion
